Sutton Integrated Digital Care Record

In Sutton, we are linking your health and social care information to provide you with the best possible care.

Viewing your care information in one place means your health and social care professionals can work more efficiently to provide you with the right care.

Who can access my integrated record?

- » Your health and social care professionals in Sutton
- » Your consent is needed for health and social care professionals to view your integrated record
- » Health and social care professionals can only see the part of your record that is necessary for them to carry out their job

Can I choose not to have an integrated record?

Yes. You can opt-out at any time by speaking to your GP practice and completing an opt out form. **If you are happy for your information to be shared you do not need to do anything.**
