

Declaration of Interests

All Patient Reference Group (PRG) members should aim to avoid any conflict of interest between the interests of the PRG, on the one hand, and personal, professional, and business interests on the other. This includes avoiding actual conflicts of interest as well as the perception of conflicts of interest.

Please use this form to declare any relevant interests in your private, public or professional life that may impact on your involvement with the Sutton CCG PRG

I would like to declare the following interest(s) arising from either my own involvement or that of close family with the following persons, organisations, businesses or anything else locally connected with the provision of health care or any other outside interests that may impact on my role within the PRG .

Declare interests (if none please write "NONE")
