

NHS Sutton CCG Patient Reference Group Planning and support meeting dates January - December 2019

Patient Reference Group (PRG) representatives are invited to attend the bi monthly planning and support meetings, on rotation, by practice. The purpose of these meetings is to bring together HWS support, CCG representatives, PRG officers and PRG members to plan and support delivery of an annual work plan consisting of a programme of 6 bi monthly meetings that meet the requirements of the groups Terms of Reference.
